

T2654 5 Bedrooms Town House In Javea

159,000 €

Town house in Javea. Located in the center of town, walking distance to the supermarket, pharmacy, health center, schools, restaurants... The town house consists of two separate apartments, an interior patio and a shared terrace. The ground floor apartment is distributed in an entrance hall, living room with fireplace, 2 bedrooms plus another small office-type room, kitchen and toilet. From the kitchen access to the inner courtyard and terrace by a spiral staircase.

On the upper floor there is another apartment with independent entrance, distributed in 3 bedrooms, living room, kitchen, bathroom and a large storage room with fireplace and laundry room with access to the same terrace and the house below. The property has great potential!!
