

E6260L 6 Bedrooms Town House In Jávea

399,000 €

House dating from the 19th century for sale in the old town of Jávea. If you are looking for a property with original features to reform, this property would be for you. The house was renovated in 1990 and is distributed over three floors. A project that maintains characteristics such as original old floors, a very high entrance gate, natural Tosca arches, solid Tosca stone walls to name a few. On the ground floor you will find a hall, living room, dining room with fireplace, bathroom, a large patio, an old two-storey stable and a large room or could also be used as a small living room. As we access the first floor, the slabs on this floor are new, three bedrooms, a nest room with a shower and another possible bathroom or shower. On the third floor, we will find a bedroom with a living room and a very large attic with wonderful Tosca arches. The property has also a water deposit, and there is electricity and water. A fantastic project w...(Ask for More Details!)
