

V2601 2 Bedrooms Villa In Benitachell

769,000 €

Villa Palma is a minimalist house with a contemporary design located in Magnolias Design, an established area destined to the building of personalised villas on the Residential Resort Cumbre del Sol. This already built property has open views of the resort, of its natural surroundings and of course, of the sea with the Peñon de Ifach in the background. It is laid out all on one floor, which just adds to the comfort. The kitchen, fitted with all the electrical appliances, is open to the living/dining room. A completely open diaphanous, spacious area, with large windows that go from the floor to the ceiling. These windows connect the inside with the generous terrace where we find the villa's private swimming pool. To round off this floor are the three bedrooms, two of them with a shared bathroom and the third with an en-suite bathroom and access to the terrace. One of the aspects that make this property even more attractive is its careful...(Ask for More Details!)
